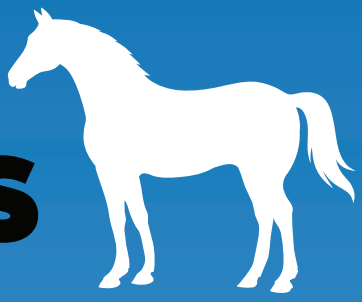
KNOW THE SIGNS

USEF HORSE WELFARE



Scan for Guidelines

USEF has developed horse welfare guidelines based on the stoplight system to help us recognize acceptable or unacceptable interactions between horses and humans

GREEN *horse friendly*

The horse appears happy, willing, and content.

The connection between horse and human is harmonious and in sync.

YELLOW *cautionary*

Actions that cause you to pause and question whether they are acceptable.

Some actions may be acceptable for a very short period of time but may escalate to mistreatment if pressure or conflict increases in intensity.

RED *unacceptable OR not okay*

Actions that make you think, "This is not okay."

Actions that make you immediately think, "This behavior must stop."

Sometimes athletes can be acting in the red zone without even realizing it - these situations may be resolved by a licensed official interrupting the training, discussing the issue, and providing a verbal warning.

Scan to report

If you see an interaction that falls into the red zone, please alert an official to the situation and submit a report.

HOW DO I GET STARTED:

At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (ie: My People, My Horses). People and horses are saved with your account. TIPS

You can cancel the entry part way through the wizard and resume the entry later on. For example, if you need to add more people to your account, or just want to come back and complete the entry later.

Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.

People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then can be re used.

Dear USEF Participant:

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and Minor Athlete Abuse Prevention Policies, also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the USEF Safe Sport Incident Reporting Form available on the USEF website. Concerns or suspicions regarding sexual misconduct must be reported to https://safesport.i-sight.com/portal and the authorities if a minor is involved. All of this information can be found in the USEF Safe Sport Policy.

Please take a moment to review the new USEF Safe Sport web pages on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at sgilbert@usef.org for any questions or concerns relating to the USEF Safe Sport program.

Thank you for your support and for helping us bring the joy of horse sports to as many people as possible!
