YOUR TEAM HAS REGISTERED, NOW WHAT?

BEFORE THE WEEKEND:

- Read the team packet – it is packed full of information and important dates/deadlines
- Read and understand parking and what to do with your vehicles prior to arrival and when you arrive.
- Read and understand the KCBS judging rules and practice your timing!
 - If possible, take a CBJ class. It really helps to understand how the judging occurs.
 - Also, if possible, go to another KCBS sanctioned competition prior. The judging will be the same but the Royal is much larger and more intense.
- Electric: be aware that the electrical plug you will get is like the one in your home. You may need an adapter. Check what you plan on plugging in prior.
- Check the weather! At that time consider that the days may be warm, but the early mornings and nights could get very cool – be prepared for all types of weather.

PACKING AND PREPARING:

- When you begin packing for the weekend:
 - First consider that you are going on a camping trip for 3-4 days – pack for that!
 - Secondly, consider all the items you need to compete
- Food: when purchasing food for the competition, don't forget about your own meals.
- Fill your camper with water before you arrive.
- Extension cords:
 - Bring extra and the longest ones you have
- Supplies:
 - Get plenty of trash bags and trash boxes. (We sell them too!)
 - Paper Towels – get extra
- Don't forget about lighting
- Have extra coolers for ice – not just for food and beverage
- Tents will not be provided with space – be sure to bring your own or order in advance.

COMPETITION NOTES:

- Don't forget about your garnish! It affects your turn in box and presentation
- Walk and time your walk from your space to turn in and back, you will need to know this on competition days.
- Check the times of the cooks' meetings and set a reminder for those.
- Make extra – you will want to pick the best to present to the judges

THROUGHOUT THE WEEKEND:

- Ice will be available to be purchased and picked up or delivered to your spot!
- Clean up
 - Keep your space clean throughout the weekend – it will help your Sunday clean up and load out.
 - On Sunday after awards, you will have a couple hours to clean up. Begin your clean up Sunday morning while cooking for the open meats competition.
